Subject: INTERAGENCY COOPERATION IN
LANGUAGE-TESTING MATTERS

I would like to take this opportunity to express to you my deep appreciation of the invaluable assistance which [redacted] of the CIA Language School is currently providing our Translation Staff in its efforts to restructure FBI language-testing procedures. To date, several of our translators have participated in the Basic Tester Workshop expertly conducted by [redacted] and have found this seminar to be of great benefit in sharpening their testing skills. [redacted] has also been most cooperative in providing Mr. Darrell Farrier, who is responsible for our testing program, with CIA reading proficiency tests for use in evaluating the qualifications of applicants for language specialist positions in the FBI.

Inasmuch as our work in the testing field will be an ongoing process, it is my hope that this interagency cooperation will continue into the future for the mutual benefit of both our organizations. I am extremely grateful for the Language School's willingness to share with us its expertise in this complex field.
